SILVER IV

GOLD IV

SPECIALTY IV

Signature IVs

(Typical run time 45–60 minutes)

Golden Myers Cocktail ●

The foundational wellness drip. Classic blend of magnesium, B-complex vitamins, calcium, vitamin C, and B12.

Ideal for energy, recovery, mild immune support, and overall reset.

Circulate ●

Arginine + B-Vitamins + Taurine

Strengthens defenses, supports faster recovery, and helps the body feel better when under the weather.

Alleviate ●

Calcium + Magnesium + B-Complex + B12

Mental clarity, focus, memory support, and reduced brain fog. Excellent for executives, students, or post-travel.

Immunity Boost ●

Vitamin C + Olympia Vita-Complex (B1/B2/B3/B5/B6) + Zinc

Strengthens defenses, supports faster recovery, and helps the body feel better when under the weather.

Brainstorm Clarity ●

Alpha-lipoic Acid + Taurine + Pyridoxine (B6)

Mental clarity, focus, memory support, and reduced brain fog. Excellent for executives, students, or post-travel.

Debloat & Gut Reset ●

Vita-Complex + Magnesium + Glutamine + Zinc

Targets bloating, supports gut lining, reduces inflammation, and promotes digestive comfort.

Metabolic Recovery ●

Vitamin C + Vita-Complex + Amino Blend + Mineral Blend

Post-workout recovery, muscle repair, energy restoration, and reduced inflammation. Pairs especially well after cryotherapy or red light therapy.

Timeless Longevity ●

B12 + Vita-Complex + Magnesium + N-Acetylcysteine (NAC)

Mitochondrial support, oxidative stress reduction, and healthy aging focus.

Snow Bright ●

Vitamin C + Glutathione + Alpha-lipoic Acid

Skin brightening, antioxidant support, and evening of tone.

Inner Beauty Glow ●

Vita-Complex + Vitamin C + Biotin

Hair, skin, and nail fortification from the inside out. Supports radiance and collagen health.

Tri-Immune Boost ●

Vitamin C + Zinc + Glutathione

Triple-support formula for immune defense, antioxidant protection, and bounce-back after travel or illness.

Important Notes

- All treatments are physician-directed and tailored after consultation.
- Contraindications: Kidney issues, certain allergies, or specific medical conditions require clearance.
- Results vary; IV therapy complements (does not replace) a healthy lifestyle.

NAD+ ●

Nicotinamide Adenine Dinucleotide

Optimizes cellular energy and anti-aging.

PICO IV CBD Broad Spectrum ●

Six cannabinoids (CBD, CBG, CBN, CBDA, CBGA, CBC) in one sterile IV.

Designed for the entourage effect — relaxation, recovery, mood, and inflammation support. Zero THC.

PICO IV CORE-A CBD ●

Sterile pico-emulsion CBD isolate delivered by IV for rapid absorption.

Supports calm, recovery, and inflammation balance without THC.

Get Up & Go ●

B-Vitamins + Amino Acids

To jump-start energy and metabolism. Built for fatigue, sluggish mornings, and days you need to move.

B-Lean ●

B-Vitamins + Taurine

Metabolism-focused blend. Supports fat-to-energy conversion, focus, and a leaner feel.

Calm Recovery ●

A wind-down drip for stress, tension, and restless nights. Supports relaxation, muscle ease, and a calmer reset.

Quench ●

Vitamin C + B-Complex + Mineral Blend

Restore fluids and electrolytes after travel, heat, training, or a rundown week.

Reboot ●

Ondansetron + B-Complex + Mineral Blend

Support hydration, settle nausea, and replenish what a long night or travel takes out of you.

Recovery & Performance ●

Vitamin C + B-Complex + Mineral Blend + Amino Blend

Support hydration, muscle recovery, and how you show up after hard work.

Healing (Post-Op Recovery) ●

Vitamin C + B-Complex + Mineral Blend + Taurine

For collagen, tissue regeneration, and antioxidant support during recovery.

Rapid Booster

(Standalone or added to any drip)

Glutathione

The master antioxidant. Supports detox, cellular repair, immune function, and a brighter, clearer look.
